

MIKE ROGERS
HAS BEEN CASHING CHECKS
FROM BIG PHARMA SINCE 1994.

MICHIGANDERS ARE
PAYING THE PRICE.

there's a doctor in this race

DR. ABDUL EL-SAYED

TOOK A DIFFERENT OATH.

Abdul grew up in Oakland County. He became a doctor because he believed no one should go broke getting sick. He ran Detroit and then Wayne County's health departments, where he helped erase millions in medical debt for Michigan families.⁴

A DOCTOR, NOT A LOBBYIST.

Abdul is a physician and epidemiologist who has spent his career on the front lines of the opioid epidemic and the health care fight.⁵

HAS NEVER TAKEN A CORPORATE PAC CHECK.

Not from Big Pharma. Not from the insurance companies. Not ever.⁶

WILL TAKE ON THE PRICE GOUGERS.

Abdul will fight to let Medicare negotiate, end the middlemen driving up costs, and guarantee health care for every Michigander.⁷
